After each workshop series, participants will be invited to join a small cohort for a 6-week inclusion working group aimed at helping organizations address site specific challenges to inclusion.

## FREE Inclusion Workshop Series

The Seattle Children's PlayGarden in partnership with Public Health- Seattle & King County is pleased to announce our 2021 inclusion workshop series. The PlayGarden will be offering an Introduction to Inclusion workshop followed by an Advanced Inclusion Workshop three times in 2021. The goal of the workshop series is to provide youth-care providers, parents and community members the tools they need to say "Yes!" to include more children with disabilities in their programs, events and community spaces. Workshops are free to attend and will be happening virtually over zoom. Visit [our website](#) to learn more about the workshop curriculum, dates and register to attend.

If you have questions, want to discuss accommodations or inquire about additional professional development opportunities, please contact the PlayGarden's Inclusive Programs Director, Hannah Gallagher at [Hannah@childrensplaygarden.org](mailto:Hannah@childrensplaygarden.org) or call (206) 349-4097.
